

Accommodation

Chalet-hotel Le Val d'Isere has one of the best locations in the resort. Situated quite literally at the very centre of Val d'Isere, the chalet-hotel is perfectly positioned for just about everything. It is within walking distance of the main Solaise and Bellevarde lifts, and only minutes from the ski school meeting point. Our accommodation is also in the heart of the shopping, eating and people watching area of this smart, chic resort.

Le Val d'isere was upgraded in 2008. All bedrooms are ensuite and stylishly decorated, but it's the dining room that really impresses. High up on the 4th floor, the galleried room looks down on the village and up into the mountains. In the evening when the Olympic downhill course is illuminated and the light in the trees are reflected in the snow, it's a magical place to be. Whilst in the lounge and private bar there are plenty of large sofas and armchairs for relaxing. The hotel also has a lovely heated outdoor pool.

Mark Warner's chalet-hotels are known to excel in the culinary area. A generous cooked breakfast can be expected everyday, as can afternoon tea waiting for you on your return from the

slopes (Tea, coffee, hot chocolate, soup, freshly baked cakes and bread with jams.) An evening meal is served for 6 of the 7 nights (Chef has a night off!) The 3 course meals offer a choice of delicious fare, beautifully presented, together with free wine until coffee is served. The chef is always happy to cater for specific dietary requirements, and an alternative children's menu can be offered to younger guests.

The tour operator offers a free ski hosting service, catering for 3 standards of skill level/ confidence, to guide you round the mountain. They will show you the best pistes for your level, as well as the best mountain restaurants, where you meet up with the other two guided groups. The guiding service operates for 5 of the 6 days, and you can opt for full days, or just the mornings or afternoons (or mix and match.) - All at no extra cost.

Mark Warner also offer excellent child care provisions (some at extra cost) including taking and pick up from ski school, child care outside ski school, and a free drop-in evening service, leaving you to relax over your dinner. All these services are operated from our hotel by fully qualified, English speaking (mainly UK) staff.
